

ACORN COMMERCIAL FINANCE IS 1 TODAY!

**Happy 1<sup>st</sup> Birthday to us!** Acorn Commercial Finance is one years old and we're immensely proud to be celebrating.

Our aim when we started was to provide simple and straightforward finance solutions for our customers. In the last twelve months we've helped over **60 businesses in securing 87 deals and lending over £8.1million!**

We've strengthened existing business relationships, we've networked with NCC and BNI groups, we've been introduced to and met some amazing businesses, we've created new working relationships, we've laughed in the office till we've cried, we've celebrated our successes and we've supported and encouraged each other through the tough times too.

We'd like to take this opportunity to, once again, thank all our customers for putting their trust in us – we've enjoyed being part of your business journey as much as we've appreciated you being part of ours.

We're excited for what the next 12 months will bring!
