Can you help Paul?

Earlier this year we shared that this year we are again keeping our giving close to home by supporting [Northamptonshire Community Foundation](#) – in their own words they are a “charity helping passionate people in Northamptonshire change the world on their doorstep”.

We’ve already received over £300 of donations but our big event is yet to come. We’re super excited that Paul is going to be taking on a Tower to Tower bike ride on Saturday 24th May. He’ll be cycling from the Northampton Lift Tower to the Spinnaker Tower in Portsmouth – covering approximately 125 miles.

Despite all the training taking place, we’re still working with many of you on your business finance needs and have completed a number of deals in the last month including a commercial mortgage, hire purchase agreements and unsecured loans. If you want to talk about any business needs, please get in touch or if you’d like to donate towards Paul’s mammoth effort then [please click here](#).

We’re supporting the Northamptonshire Community Foundation in conjunction with [Franklins £50 Challenge](#) whose theme this year is all about ‘fighting hunger, fuelling wellness, changing local lives’ – sentiments that resonate with us too.

Best Wishes
BEN & PAUL
