

February 2024

Let's give back to our county

Not only do we help our customers achieve their goals and dreams, but we want to make a difference and give a little back.

This year we are again keeping our giving close to home by supporting [Northamptonshire Community Foundation](#) - in their own words they are a "charity helping passionate people in Northamptonshire change the world on their doorstep".

To kick-start our fundraising, we're excited to be taking part in [Franklins £50 Challenge](#) running from 29th February - 21st May. We've got a £50 stake to start us off as we look to raise as much as we can for Northamptonshire Community Foundation. This year Franklins challenge is all about 'fighting hunger, fuelling wellness, changing local lives' and we're keen to support.

Earlier this month we hosted our first ever netwalk to raise funds which also gave us the opportunity to chat all things business finance with those that joined us. If you want to talk about any business needs, please get in touch, or if you've got any ideas to help us boost our fundraising they'll be gratefully received too.

Best Wishes
BEN & PAUL
