

July 2023

We're here to support you all summer!

We know that many of you are off on your well-deserved holidays and we hope you enjoy the downtime with family and friends. But we also know that many of you will be working through the summer and wanted to reassure you that we are here and ready to help with any of your business finance needs.

It can be a tricky time to manage your cashflow with payments maybe coming in late due to holidays and reduced staffing. We can help you with an unsecured loan, where the business does not have to offer property as security, though a personal guarantee may be needed.

Just this week we have completed on a £25,000 loan in 48 hours due to payments being delayed but commitments still needing to be fulfilled. This loan has allowed our customer the breathing space they require to deliver on their obligations.

Please be assured that we are just a call or an email away and we look forward to chatting with as many of you as need our help over the coming weeks. Have a great summer!

Best Wishes

BEN & PAUL
