

July 2024

We're here to support you this summer

We know that many of you will be going on well-deserved holidays over the coming weeks and we hope you enjoy time off with family and friends. However, we also know that some of you will be working through the summer and we want to reassure you that we are available to assist with any of your business finance needs.

It can be challenging to manage your cashflow during this time, especially with potential delays in payments due to holidays and reduced staffing. We can help you with an unsecured loan, where the business does not have to offer property as security, though a personal guarantee may be needed.

Please remember that we are just a call or an email away and we look forward to helping as many of you as need our help over the coming weeks. Have a great summer!

Best Wishes
