

March 2023

It's our Anniversary!

The beginning of April sees Acorn Commercial Finance's second anniversary!

We'd like to take the opportunity to thank each and every one of you for the part you've played on our journey so far. Despite challenges, some of which we can control, but many of which we can't, we've continued to put our customers at the forefront of all we do and endeavour each day to provide simple and straight forward finance solutions to business needs. Here's to the next 12 months!

Budget News

In the budget earlier this month it was confirmed that the Annual Investment Allowance providing 100% first-year relief for plant and machinery investments would remain set at £1m until 31 March 2026. This is great news and offers a real chance to benefit from paying less tax.

New partnership for Lease and Contract Hire deals

We're really pleased to be able to share that working in partnership with ICR Leasing we can now offer contract and lease hire to our customers purchasing vehicles. Paul has spent some time with the team at ICR Leasing and is impressed with their professional approach, desire to focus on the customer experience and is confident these seasoned professionals will be able to look after our customers. So if you're considering a new vehicle for your business then please do get in touch as we have numerous finance options available.

You might not need what you think you do!

Our customer approached us for a refinance on some holiday lets as he was looking to raise some money to repay a family gift for the land. We were able to look at the facts and offer two finance options – we could refinance the holiday lets to raise the funds or we could raise finance against the land itself. This option was much cheaper for our customer but still gave him everything he needed.

The moral of this – talk to us. You might think you know exactly what you want but we are able to consider all the facts and speak to multiple lenders to then be able to share more than one solution to your business need.

If you're ever passing this way then do let us know - the door here is always open.

Best Wishes

BEN & PAUL
