Planning is key!

It's been a busy few weeks, after three fantastic years at Sywell Aerodrome ... we've moved! We're still in Northampton but based at Moulton Park now; do let us know if you're passing – we'd love to show you our new digs!

With interest rates stable at 5.25% and inflation figures continuing to fall, many of you are working towards your year-end so now is the perfect time to review your spending as you set your budgets for the next 12 months. **It is essential to plan well, stay focussed and be in control of your finances.**

We know you've already got a bank manager and probably an accountant too so why do you need a finance broker as well?

- We've got access to over 65 lenders ... giving you an alternative option to just using your bank
- You might be a new business ... we can still offer finance options right for you
- There may be a blip in your credit history ... that won't normally stop us being able to offer you solutions
- Your business is growing and you need cash quickly ... we can recommend options that will work for you

Please pick up the phone or drop us an email if you want to have a chat – we'd love to be able to help you help your business.

Best Wishes
BEN & PAUL
