

Our first anniversary has been and gone - thank you all for the messages of congratulations and good wishes as we continue to grow our business and help you, our customers.

We've had a busy few weeks of face to face meetings with customers and funders, securing deals for vehicles, machinery, office and IT equipment and mortgages and remortgages for various properties to name a few.

Life is still a little uncertain out there but it's good to be able to add value and help you all build your businesses. Please do give us a call or drop us an email if you think there is anything we can do to help you.

The **Government Recovery Loan Scheme** is coming to an end in June. Don't miss out on the chance to bring additional finance to your business as you recover and move forward following the Covid-19 pandemic.

We've recently helped a packaging business and a car sales and servicing garage to secure an RLS. Get in touch today to see how we can help you benefit from the scheme.

If you're needing extra cash in your business remember refinance could be the answer! It's a versatile solution that can help you fund your next project, invest in new equipment or give you much needed cashflow for growth. All this be done by using the equipment, vehicles and property that you already have in your business.

It was great to recently complete on a five year hire purchase deal for an eight year old tractor unit for a well established transport business. We secured a competitive rate for £195,000 with a Tier 1 dealer that was approved and paid out in just three days. Great for the business as they look to boost their business fleet and push for growth.

We also specialise in sourcing finance for **all** vehicle types. We've recently completed on a couple of Director's cars. Do get in touch for director cars, fleet finance, personal car finance, new & used vehicles, electric cars & vans, racing cars, motorhomes, motorbikes – you can drive it ... we can finance it!

Exciting times! Well done NTFC on getting in to the playoffs for Championship in your 125th anniversary year! We'll be cheering you on this month in your quest to make it to the Championship! It's been great to watch your journey this season and we look forward to being a proud Associate Partner again next year and cheering you on from the terraces at Sixfields.
