

September 2023

Let us help you fund your next purchase

Summer is officially over, and the sun has just arrived ... there are no words! We hope that many of you managed to find some time over the last couple of months to get away from work and enjoy being with family and friends. But September is upon us and now it's time to get our heads down and plan for the coming months.

We know that many businesses are currently looking to invest in assets and are ready to buy new / used equipment, vehicles, and machinery to name a few. Over the summer we have helped our customers finance a small fleet of vans, three tractor units, three excavators, several individual vans and two director cars.

Asset finance offers you the opportunity to buy what your business needs now and make monthly payments instead of needing the full cost of the product up front.

We have also seen a number of enquiries for refinancing of equipment as well as a number of refinance enquires as businesses seek to release valuable equity from equipment and vehicles and release much needed funds back into the business.

Refinancing enables you to take advantage of a fixed rate meaning there will be no change to the amount you pay each month for the term of the agreement.

If you're ready for a chat about any of the above, then drop us an email or give us a call 0345 565 2603.

Best Wishes

BEN & PAUL

The footer features a dark blue background with the Acorn Commercial Finance logo on the left, a list of services in the center, and contact information on the right. The logo consists of the word 'Acorn' in large white letters, with 'Commercial Finance' in smaller blue text above it and a blue acorn icon to the right. The services are listed in two columns: 'asset finance', 'commercial loans', 'bridging loans', and 'invoice finance' in the first column; 'business loans', 'acquisitions', 'MBOs', and 'cash flow' in the second. The contact information includes the website 'www.acorncf.com' and the phone number '0345 565 2603'.
